

Dear Family and Friends,
Greetings in Jesus name. I am excited in sharing with you God's doing in and through Imani. We continue to experience His awesome faithfulness in ministry and in our own lives as well.

Attached, please find our news update of how God is working in our listeners lives and the many programs we host every month to empower our listeners through anointed servants of God. This past month, we had Pastor Mark Beigle and his dear wife Jan do outreach ministries in North Rift of Kenya. Men and women of God were encouraged and empowered to shepherd God's flock following in the footsteps of Jesus.

PASTORS' WIVES SEMINAR

Imani Media Ministries held a pastors' wives seminar at its campus on the 15th of July, 2016. Pastor Janet Beigle wife to pastor Mark Beigle from Liberty Baptist Church, California was the guest speaker. The theme of the conference was "Being a maximum minister."

Theme verse was from 1 Thessalonians 2:1-12 which basically talks about Paul's ministry in Thessalonica. The teaching is in relation to today's ministers. The participants were encouraged to work hard and accomplish the mission that Christ left behind.

The conference was attended by Church ministers from different denominations. The main aim of the seminar was to empower servants of God especially pastors wives by sharing their experiences, challenges and how to handle different challenges while serving God.

Pastor Beigle encouraged the leaders to have hope because hope is the desire accompanied by expectations.

Those in attendance not only benefitted from the teachings, they were also given books to help guide them in their daily leadership roles.

STUDENT TESTIMONY

My name is Josephine Aimun from University of Eldoret. I was blessed to have an opportunity to undertake my internship at Imani Media Ministries. I started in April till end of July.

I have learnt a lot which I believe is going to help me when I go back to school. I am truly grateful for the experience that I got. The mentorship programme that the organization has, has helped build my confidence and it has also helped me grow spiritually. The monthly *kesha's* that I took part and the lunch hour prayer sessions have impacted my life in a major way.

I would like to thank my supervisors who showed me what to do and motivated me, my fellow colleagues and most of all, the director who gives students an opportunity to come and learn.

To the entire Imani family, may God bless you as you continue to spread the word of God.

MONTHLY KESHA; EXPOSING YOUR SECRET ENEMIES.

Exposing your secret enemies was this month's theme of vigil prayers. Our guest speaker was Bishop Raphael Buluma from Kakamega.

We were also blessed to have guests from abroad. The night was full of God's blessings as the Imani worship team led in praise and worship.

LISTENERS TESTIMONIES

Psalms 46:1-3 God is our refuge and strength, an ever present help in trouble. Therefore we will not fear though the earth give away and the mountains fall into the heart of the sea, though its waters roll and foam and the mountains quirk with their surging".

Glory be to God, Imani Radio has stood in proclaiming the word of God in the nation. May the almighty God bless the management and the entire body of Christ.

Rev. Okwiri Francis from Malera

Praise God servants of God. I just wanted to appreciate God for the far He has brought me. It is actually good to always give thanks. God bless you Imani and may God uplift you to another level for the glory of His name. Amen.

Rebecca

I would like to thank God for the gift of life. Ever since I started tuning in to Imani Radio and TV, my life has changed drastically. I thank God for the far that He has brought me and I continue to grow spiritually every day.

Ndiema from Kibomet

I thank God for the prayers that I have been receiving. I was jobless, the ministers prayed for me and I now have a job. I had problems in my marriage, there was no peace, but now we are doing well; we are even expecting a baby soon. All thanks to God and the ministers that encouraged and prayed for us at Imani.

Cristobel

I would like to thank God for the gift of healing. I was very sick for a while but after the prayers from Imani, the Lord has restored my health and I am well again. Praise be to God.
