IMANI MINISTRIES

April Vigil Night

April 'Kesha' was well attended with over 400 people. Our 'Kesha' verse came from the book of **1 Peter 1:22**, *"seeing ye have purified your souls in obeying the truth through the spirit unto unfeigned love of brethren, see that ye love one another with a pure heart fervently"*.

After the preaching and before the prayer and intercessory session, an alter call was made, 36 people gave their lives to Christ. That night marked one of the highest numbers of people giving their lives to Christ. Each one of them was presented with a Bible that would help them grow in their spiritual journey.

❖ **36 Saved lives for Christ!**

❖ **Imani ministers in Prison, one of the saved comes out a Pastor!**

TESTIMONY

A Prisoner of the law, now a Prisoner for Christ!

“For this cause I Paul, the prisoner of Jesus Christ for you Gentiles, If ye have heard of the dispensation of the grace of God which is given me to you-ward: How that by revelation he made known unto me the mystery; (as I wrote afore in few words, whereby, when ye read, ye may understand my knowledge in the mystery of Christ)”

Eph 3:1-4.

Pastor Ken Lusaka is in his mid-thirties, a husband and a father resident of Trans-Nzoia County, who having grown up in a polygamous family has passed through a lot in life.

Lusaka did not know his real mother until at the age of fourteen during his father and mothers' marriage separation court case; that is when it dawned on him that all along, he had been living with his step-mother.

Afterwards they were affected with the tribal clashes in the year [1992] forcing his father to flee leaving him with his younger brother aged eleven in the village who

now had to survive to earn a living.

He dropped out of school in class five and began weaving ropes for a living something that took him to his encounter with the real mother.

At the age of seventeen or about eighteen, he got married to the love of his life Eunice and later on became a drunkard something that changed his life completely. He committed adultery and many other crimes that landed him in Kitale main prison for eleven years!

'That was a heavy blow for me; you know eleven years in prison is not a joke...' He says.

In the year 2006, Imani media began ministering in the prison and that's where he got to meet them. He recalls the Imani media director Mr. Ptallah Butaki and other ministers preaching to them and also giving them radios, something he says touched many lives including him, and since then, he made it a routine to listen to the sermons and also follow up Imani Kesha all through while in prison.

He appreciates the Imani crew for ministering even in the prisons saying that the prisoners have been changed through the word. He also says they have made the Imani radios their best friends. He urged the Imani team to continue visiting the prisons with the good news. Pastor Lusaka was set free last year and is back to his family. He is now a pastor at Shekinah Glory Church in Kitale.
