

Imani Radio & TV Ministries End Year Update

Dear Friends and Partners,

The end of the year is nigh, and the beginning of a new one is eminent. There are so many blessings from the Lord that we have witnessed this year. We have seen God bring thousands of lost souls to Himself through our broadcasts, vigils and out reach missions to the villages, slums and prisons.

We also witnessed God's provision through our partners who raised funds for solar power in our transmission site at Kapenguria and in the Lodwar station including a power backup at our studios in our headquarters in Kitale.

Indeed it is that time of the year that we look back and count on God's blessings; but all these could never have been achieved were it not for the prayers, moral and financial support of all of you. We render our sincere appreciation to you for your heart of giving towards the Ministry in order to see us reach millions with hope through God's word in a hopeless world.

May God's blessing be with you during as we enter into the new year ahead while trusting the Lord for an even more successful and prosperous 2017.

As much as the Lord blessed us, we have also had some challenges in the ministry and we ask you to pray with us for the following:-

1. Prayers that the Lord may give me wisdom in leading this ministry and to provide the necessary resources needed to effectively serve Him.
2. Funds to do sound proofing in our Lodwar and Mt. Elgon studios.
3. Funds to purchase equipment's needed for our television station
4. 3 lap top computers for both radio and television studios

Thank you so much for what you do in the name of Christ and in building His kingdom.

Happy New Year 2017!

Ptallah & Risper Butaki
