

Dear Partners, Friends and Family,

We sent you love greetings from Imani Ministries in Kitale Kenya. It is with great joy that we share with you our electronic newsletter of what God is doing in and through the ministry. We are particularly excited of a testimony from a Muslim convert who surrendered his life to Christ as he gave up his Koran and other Islam literature in exchange for the bible and Imani solar powered radio, broadcasting the good news 24/7.

We trust that the testimonies shared in this newsletter will encourage you as it has done to us. God is all powerful and nothing will stand in His way, people must confess that He is Lord and the only living God. Muslims must come to His saving power and His word as preached through Imani will convict and bring many back to Him.

Dear brethren, we ask you to continuously pray for this ministry as the Lord works in and through it to reach out to the lost souls. The enemy will always resist, but we have full faith and trust in our God to work miracles even when we don't understand. May the almighty God continue to use us as a vessel for doing exploits for His kingdom.

Regards and blessings.

Building your Faith in Christ Jesus.

MUSLIM SURRENDERS TOOLS OF FAITH, EMBRACES SALVATION THROUGH CHRIST

Many are lost in the world through worship of idols and steeped in traditional religion of non-saving faiths. This week, God convicted and opened the eyes of one brother who professed Islam as a religion. He saw the light and decided to get out of the darkness!

Indeed, his confession testifies that when Christ comes into your heart, no matter who you are, whatever you believe in, He will turn your world upside down and you will not remain the same. This brother brought the tools of his former religion (Islam) in exchange for the bible.

This Muslim brother had been listening to Imani Radio for quite some time until this week when he finally made the decision to ditch Islam for the true saving faith. Armed with the Koran and four little booklets of Islam teachings, he presented himself in the nearest Church seeking to meet the pastor who would guide and lead him into deliverance. Luckily the Pastor also ministers on Imani radio and when he heard the confession, he later came to our studios with the surrendered Islam books. In Exchange we gave out the bible in Kiswahili and a solar powered radio broadcasting 24 hours of God's word.

The new convert brother narrated to him how his spirit became restless since he began tuning to Imani radio, yet every time he wanted to change the station, some force prevented him from changing it to a different station. He continued to say that he felt like there was something missing in his life and that he felt incomplete. He tried to call Imani radio but did not go through as the number was very busy; that is when he decided to visit the Pastor to surrender his life to Jesus. Glory to God.

Testimonies

Psalms 66:16– “Come [and] hear, all ye that fear God, and I will declare what he hath done for my soul.”

Praise God Imani radio, God is good because through your prayers I was healed of asthma that was hindering my education. I used to go for checkups almost every week and this persisted for a very long time but God is faithful, through prayers and listening to Imani radio I have received my miracle and now am going to advance my studies to college. Victor Adenji from Lukuyani.

I really appreciate Imani Ministries for hosting Night vigil every month and the twin blessings we acquire from listening to Imani FM and watching Imani TV as well. Many people get saved on Keshu's and many also get closer to God through the broadcasts. This indeed is God's altar for spiritual edification for the body of Christ. To God be the glory. **Ayoi from Twiga.**
