

TESTIMONIES FROM IMANI LODWAR

My name is Pastor Protus Bulinda. I first came to Turkana County in 2012. Since then, I have been working as a missionary Pastor in Lodwar. I love ministering God's word. Imani Radio-Lodwar has been of great help in my endeavor to reach out with the gospel. Through it so many people have been transformed spiritually and have given their lives to Christ. I thank God for his grace. (2 Cor. 12:9). Below are some testimonies of what God has done through the Radio Ministry of Imani.

Healed after 26 years of illness

I am Phyllis originally from Kitale. I had goiter for 26 years. I went to Lodwar and there was this day I was listening to Imani Radio and Pastor Bulinda was preaching about God's power to heal. I was afraid that I will never get well, but I decided to contact pastor. We met and prayed together, the Pastor told me that my case would one day be a testimony. This built my faith and trust in God. (Rev. 12:11).

My case according to doctors was serious; I had been scheduled for two operations which I underwent after the prayers with Pastor. I thank God that both operations were successful and now I am healed. I am back to Kitale leading a normal life.

Financial breakthrough

My name is Peris; I am a business woman from Lodwar. I had health complications and I was supposed to be operated. I was not able to finance the treatment but after airing my problem and asking Pastor to pray for me, doors started opening and I was able to pay for the operation which took place in Kakamega. The operation was a success! Glory be to God.

Deliverance from demons

My name is Jackson; I had a neighbor who was possessed by demons. After listening to Imani Radio, we sent our prayer request which was prayed for. Pastor prayed over the radio and my neighbor was delivered and has not had any demonic attack to date.

Word of encouragement

I am grateful to Imani Radio Ministries because it has been a great source of blessings to many people. This is a platform that people get to hear the word of God, it's a source of encouragement to many and people get to testify what the Lord has done in their lives. (Ephesians 3:20) "now to him who is able to do immeasurable more than we ask and imagine, according to his power that is at work within us, to Him be the glory".

STUDENT ATACHEE'S TESTIMONY.

I am Caroline Bartono, a student from Alphax College. I was attached at Imani Radio & TV Ministries for three months. My experience was really good since I explored my talent and accomplished my desires of being a journalist.

My professional experience at Imani has been fulfilling. I did not just grow career wise, but also spiritually. The lunch hour prayer sessions, Wednesday's devotions and night vigils have tremendously helped in my spiritual journey.

The entire Imani family has been of great help and supportive starting from the director to the subordinate staff.

I am confident that as I go out there I will be a good testimony to the world from the teachings and my experience at Imani Radio & TV Ministries.

GODS PURPOSE IN OUR LIVES

Imani Radio & TV Ministries hosts vigil nights once every month. It is usually on the second Friday of the month. Normally, a multitude of people from different denominations gather together for prayers.

The night's program entails prayers, a sermon from the director or a guest speaker; gospel music items from guest artists include praises and worship of the living God.

The night vigil is broadcasted live on Radio so as to cater for people who could not make it to the venue and those in the Diaspora.

This month (March) we were blessed with Pastor Luis Tiva, a guest speaker from Nicaragua, North America. His sermon was based on Luke 4:18.

Many people received God's blessings, healing; re-commitments and several accepted Christ as their personal savior. It was a night full of God's anointing and blessings!

Below: prayers being offered to people who gave their lives to Christ.
