

IMANI TEAM TAKES THE GOOD NEWS TO KITALE PRISONS

Imani Team led by Risper Butaki took the Good News to Kitale Prisons, the women's wing. After ministering, Imani Team interacted with the inmates through songs and prayers.

The prisoners were so excited when they received gifts; soaps, milk for the children and sanitary towels for the women. Also Bibles were issued to help them know more about the word of God.

The inmates led by Aisha Chebet thanked the Imani Team and urged them to continue giving a helping hand to such people because it helps them feel loved and draw them closer to God.

In closing, Risper Butaki called on other well-wishers to join hands in helping especially those children who live with their parents in the prison cells. She said as Christians, it is good to visit those in need in order to fulfill God's call to Christians.
